BEISEKER MAN ATTENDS AGRICULTURAL SOCIETY MEETING

BEISEKER.—Mr. Matt Schmaltz attended a meeting of the Directors of the Drumheller District Agricultural Society in Drumheller on Saturday, November 18th.

It was decided to hold three banquets for the Junior Club members of the district when the different prizes and trophies will be presented to the winning members. The highlight will be the Drumheller banquet on Friday, Dec. 8, when the prizes and trophies will be presented by the Honorable Dave Ure, Minister of Agriculture. The most honored winner will be 13-year-old W. R. "Ricky" Sharpe of Munson, who not only brought fame to his club in the Drumheller District Agricultural Society, but to Alberta and Western Canada by winning the wheat growing championship of the world, and to be first teenage boy ever in history to have won this title.

Ricky Sharpe also won the junior wheat title for the second successive year with Howard Roppel coming second, and one of our Beiseker girls, Miss Marjorie Leiske third. Marjorie has been a consistent worker, and has brought honors to her club last year from Toronto, and we hope that she may bring fame to her club yet, just as Ricky has done.

Other banquets will be held at Thochu on Dec. 6th and Acme on the 7th. Some of Beiseker young people belong to the Acme Calf Club.

Mr. and Mrs. Matt Schmaltz are to represent the Municipal District of Kneehill at the Acme banquet.

The annual meeting of the Drumheller District Agricultural Society will be held in Drumheller on Saturday, Dec. 16, at 1:00 p.m.

It was with regret that the Society learned of the resignation of Mr. W. D. Gentelman as field supervisor for the municipality, effective Dec. 1. He has accepted a position as manager of a large farm at Vauxhall, Alta.

After a long delay, the Sundre Contracting Co. Ltd. have moved

into the municipal gravel pit west of town, and it is expected that the gravelling in this district will be completed in next ten days or two weeks.

Mr. Matt Schmaltz will attend a municipal convention in Calgary for the whole province on Nov. 22, 23 and 24.

Teachers Organize Workshop Meetings

BEISEKER — Teachers from the Beiseker and Kathryn sub-locals met at Kathryn on Tuesday, Nov. 14. Several teachers from Strathmore accompanied the guest speaker, Mr. John Bracco, who gave those present a very comprehensive plan for workshop meetings.

The December meeting was cancelled because of its proximity to Christmas. At the next meeting, which is to be held in Beiseker, Jan. 15, there will be two sub-committees formed. One group will concern themselves with problems arising from the proposed new courses in the Junior and Senior High Schools.

The excellent lunch provided by Mrs. Gooderich and staff was much appreciated by all.

Former Resident Visits Beiseker

BEISEKER—Mrs. Herman Redding had a few friends in last week to renew acquaintances with Mrs. Fred Arnold, a former neighbor, who left Beiseker five years ago to make her home in Hanly, B.C.

The neighbors present were: Mr. and Mrs. G. Pfeifer, Mr. and Mrs. T. Schwengler, and Mr. and Mrs. J. H. Schmaltz.

A very enjoyable evening was spent, and a delicious lunch brought the gathering to a close.

Weekly Newspaper Men Elect Officers

New officers were elected recently at the 31st Annual Convention of the Canadian Weekly Newspaper Association, which took place at the Chateau Frontenac in Quebec City. Left to right: R. M. Beam, Waterloo, Ont., past president; A. W.

Hanks, St. James, Man., first vice-president; Lang Sands, Mission City, B.C., president; R. Moore, Swift Current, Sask., second vice-president; and W. E. McCartney, Brampton, Ont., managing director and secretary-treasurer.

LIONS CARNIVAL SUCCESSFUL AS RECENT BEISEKER EVENT

BEISEKER.—In spite of the inclement weather which kept some from attending, the Beiseker Lions second annual carnival was voted a huge success by everyone.

Rainbow Lodge Planning Events

BEISEKER—The Rainbow Rebekah Lodge, No. 114, held their regular meeting Tuesday evening, Nov. 14, in the IOOF Hall, and had as their guest, Mrs. Christena Arnold of Green Valley, B.C., of Rebekah Lodge, No. 34. Mrs. Arnold was a former member of the Rainbow Rebekah Lodge, Beiseker. Refreshments were served.

On Monday evening, Nov. 13, 18 members of the Rainbow Rebekah Lodge, Beiseker, attended the district meeting at Acme, when Mrs. Laura Gibson of Rainbow Rebekah Lodge was elected District Deputy of District No. 13 for the year 1951.

Keep in mind the date of the annual Hot Plate Supper, sponsored by the Rainbow Rebekah Lodge on Tuesday, Nov. 28. Besides enjoying a tasty hot meal, you may try your luck at Bingo, too!

BEATTY NEWS NOTES

Mr. and Mrs. J. Skish spent two days visiting in Edmonton recently with Mr. and Mrs. Rudyk.

Mr. T. Barber has almost completed his new house and barn.

Mr. Geo. Tarangle attended his mother's funeral at Myrnam. She died at the Myrnam Hospital at the age of 82.

1,633,000 patients received medical care for acute diseases in Canada's hospitals in 1947 and average stay of all patients was 10.6 days.

Prizes were colorful and good, and there were games of skill and chance to suit everyone. Lion Louis reports that his committee worked nobly and all those who were there agreed. Lion Frank Wright's strings were highly popular with the small fry—and Lion Tom's Bingo table was filled to capacity both nights. Lion Bill Tidy outshone himself dropping golf balls into three buckets and invited all to try their skill. Lion Gottlieb Berreth was back with his

dart game and Lions Art and Clarence were busy with the ball players. The cigarette game proved very popular, with Lion Roy in charge. Lions Don, Louis and Darce were at their old stands, inviting all and sundry to try their luck and when you got hungry there was the Boys' and Girls' Committee, with Lion Lorne handing out hot dogs and soft drinks by the score.

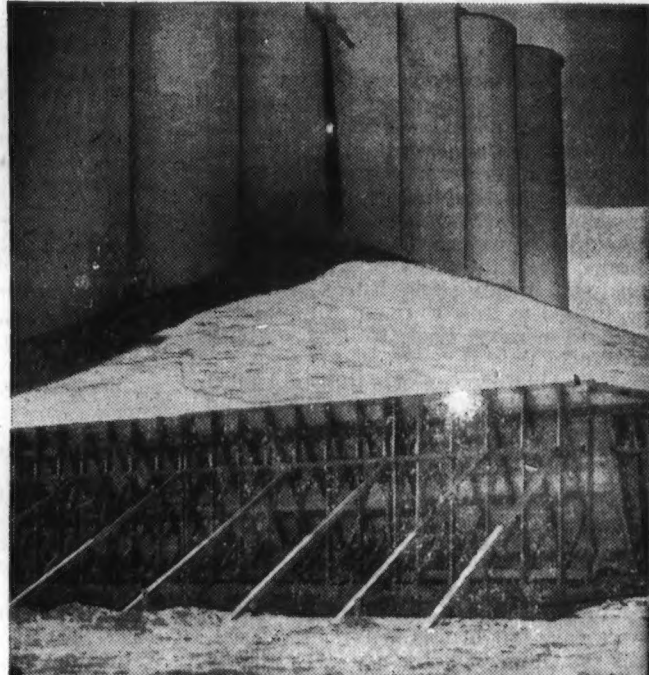

Friday night, Lion Ray Schmaltz staged a successful dance with the Merry Macs' music, and Wendel Schmaltz was the lucky winner of the mantel radio which was offered as a door prize. The Beiseker Lions Club would like to thank all those who attended and especially many members of the band who assisted. Proceeds of this worthwhile effort are for the support of the Beiseker Lions Band,

Grain Makes Its Own Roof

This situation doesn't prevail in Alberta, but this pile of 400,000 bushels of grain seen here will remain in the open all winter at Ogden, Utah. It was dumped to make room for spring wheat and barley now being harvested in the western U.S. Grain will be treated to keep it from spoiling.

The Olds Election

Both Premier Manning and Liberal Leader Harper Prowse expressed gratification at the results of the Olds byelection. The Social Credit candidate was elected but the Liberal vote was much higher in proportion than in the last provincial election.

Actually, it's anybody's guess as to which way the wind is blowing, with only one byelection to act as a weather-cock. It seems to us that under Mr. Prowse's leadership the Liberals are fast becoming the recognized second party in the province. The party has a five-member Alberta representation in the Ottawa house, a big improvement over the previous general election. It is expected the next provincial election will be held in 1952 and a continuation of this trend to Liberalism in Alberta may upset a few political apple-carts.

Report to the People

The provincial government is to be commended on using the press of the province to report the work being done by the various governments departments. We have advocated for some years a program such as this, designed to keep the people of Alberta informed on just what their representatives are doing.

This policy has been in effect in British Columbia for a number of years. It is only right that the people should be told not only what government policies are at election time, but how those policies are working out in actual practice.

The first of these reports is entitled "Government Business Is Your Business—Without Health There Is No Happiness."

Flying the Wounded Home

Canadian Army units embarking for action in Korea may see plenty of it. The Chinese Communists can apparently supply an unending stream of fighting men for months or years to come, backed by Communist ideology, Russian arms and the age-old Chinese ability to propagate faster than famine, war or pestilence can destroy. It has been estimated that if an army marching out of China were to pass a given point, four abreast, at quick-march pace, day and night, without stopping to eat or sleep, they would never all pass that point. With a population of 400,000,000 enough children are born, and enough reach military age to keep the supply of soldiers inexhaustible.

How good they are as fighting men is another story. We don't know the answer to that, not yet. How many would die, unattended on the battle field, would in a callous manner of speaking, seem inconsequential. But how many of our Canadian boys are brought back to health after being wounded or taken sick is a matter of vital importance to us.

No doubt arrangements have already been made to fly wounded Canadian soldiers back home. The United States Army reports that the men wounded in Korea, who are being returned to this continent for hospitalization "are coming back in better shape than in World War II."

The U.S. Air Force reports that in August 1,378 patients were flown from Japan and Korea to this country. These included battle casualties as well as other injured and ill persons. C-97's that are being used for transport carry fifty patients and attendant nurses and, because of greater flying range, take a shorter route across the Pacific. On the average, the big planes take thirty-seven hours to reach the west coast.

The airplane has become a mighty weapon of warfare but in this instance, at least, it serves the cause of humanity. It would be impossible to imagine the reaction of soldiers a generation ago to the suggestion that, in the future, men wounded in battle would be carried through the air for thousands of miles for hospitalization.

Will Laws Cure Alcoholics?

By T. W. Pue

Those who read my article in this column last week will know what type of drinker is termed an alcoholic.

Once a man becomes an alcoholic, he remains one for the rest of his life whether or not he ever quits drinking. For an abstaining alcoholic is always susceptible to the disease and must remain forever on his guard.

Yes, alcoholics are actually sick people. Alcoholism is a disease. For other diseases we prescribe medical treatment. For alcoholism we legally have only ineffective laws designed to prevent the patient from getting the stuff or to throw him into a prison cell as a common rogue.

T. W. Pue

Interdicts

By getting a legal order to restrain barkeepers from serving known alcoholics whom they recognize, wives and mothers hope to keep their men sober. Actually, this is a good law—as far as it goes. There are also laws against non-interdicts buying liquor on behalf of those on the "Indian list" but if an alcoholic wants to get liquor there are usually enough of his so-called "friends" unkind enough to break the law for him.

Criminals

Then, too, there is nothing to stop an interdict from driving to the next town where he is not known and buying all the beer he can consume. Hotel men are supposed to refuse to serve a patron who is showing signs of inebriation, but it's pretty hard often to tell when an alcoholic is drunk or sober.

Actually the regulations against supplying alcoholics with alcohol are quite ineffective, because when a drunkard wants to drink he'll get the stuff by fair means or foul.

So, because our patient gets more liquor to satisfy his craving, because he is sick and unable to drink like a normal, well person, we arrest him, put him behind bars for a short time, and then release him again to crave, drink, get drunk and be arrested again in an unending circle of human despair.

I do believe we need much better enforcement of the laws governing liquor control. But all such laws being restrictive are purely negative in their value.

What the alcoholic needs is not less liquor because someone tells him he shouldn't have it, but none at all, because he himself realizes that he is an alcoholic, and cannot, under any circumstances, take another drink.

Next week I will discuss a group of alcoholics who have been able to remedy their condition by totally abstaining—because each has the firm conviction and will do it, with the help of a Higher Power than themselves.

Scriptural Meditations

By Ainsley Blair

"If we would but think of God as often as we have evidence of his care for us, we should keep him ever in our thoughts, and should delight to talk of him and to praise him. We talk of temporal things because we have an interest in them. We talk of our friends because we love them; our joys and our sorrows are bound up with them. Yet we have infinitely greater reason to love God than to love our earthly friends; and it should be the most natural thing in the world to make him first in all our thoughts, to talk of his goodness and tell of his power.

WHEAT CONSUMPTION

Domestic disappearance of wheat in Canada in the 1950-51 crop year will reach 155,000,000 bushels, an increase of 23,000,000 over the previous crop year, according to an estimate made by the Dominion bureau of statistics. Increased animal feeding will account for the larger disappearance according to the bureau.

Wheat can now be processed so that it cooks, smells, tastes and looks (except for color) like rice. The Australian Wheat Board is reported to be undertaking to build a processing plant that will turn out about 60,000 tons of processed wheat a month. The idea is to sell this product to rice eating nations in the Far East which are not able to get enough rice to feed their population.

ALBERTAA News Section About Alberta People,
Week Ending Nov. 18, 1950**New County Act Will Affect Educational, Municipal Affairs**

By W. R. Sinclair

(Condensed from the Alberta School Trustee)

The County Act came into force on July 1, 1950. When implemented its provisions will have a great effect upon the local administration of education, municipal hospitals, and municipal affairs generally.

The new legislation is designed to consolidate the local administration of municipal affairs, municipal hospitals and education within the confines of an area to be known as a county into the hands of a new group, the county council, and its committees.

It provides for the formation of not more than four counties. The Lieutenant Governor in Council is to form a county only after having received a resolution to that effect from the council of a municipality or from the board of a school division which forms a major part of the area to be designated as a county. Four years after the county has been formed, a plebiscite is to be taken among its electors to ascer-

tain whether or not they are in favor of its continuation. The system is therefore to be in the nature of an experiment.

The order establishing a county is to become effective on January 1st in the year following its publication.

The question arises as to the representation on the school committee of the county council of such a district. The position is not clear. The School Act provides that where a town or village district has more than eight classrooms operated for resident pupils, and is included in a division by agreement, the Minister of Education may constitute such a district a separate sub-division, and provide for the election of another member to the divisional board to represent it. Similarly where a town district has been included, whose resident pupils

COAL INDUSTRY LOOKS AHEAD

Coal fields of Alberta, which contain more than half of the coal reserves of Canada, must find new markets if the industry is to stay healthy.

This was the theme of coal delegates at the recent annual western meeting of the Canadian Institute of Mining and Metallurgy.

Hon. N. Tanner, Alberta's minister of mines and minerals, said that increased freight rates would be a most serious development from the industry's point of view. According to present indications, the rate per ton for coal moving from Alberta to Ontario is due to go up \$2.35 next March and the same amount again the following March.

The industry supports 10,000 people directly and 75,000 indirectly.

exceed 40 per cent of the division's total enrollment The School Act allows the Minister to provide for the election of two additional members of the divisional board to represent the sub-division.

The County Act says that where all or any part of a division included in a county contains a district which includes a town or village which has been constituted a separate sub-division pursuant to The School Act, that the Board of that district may each year nominate an elector of the town, or village who shall be appointed by the county council to the school committee.

ALBERTA FARMERS TRY NEW METHOD

New method of strip farming, designed to hold needed moisture on the land, will be tried on many Alberta farms next year. Here, a grass runway is kept across lowest cultivated strips, while corn and hay are planted in alternate 65-foot strips.

Wingate Raider Arrives To Settle In Alberta

Harry Lineker, a member of the famed Wingate Raiders who saw action in Burma during the late war, has arrived from England to settle in Edmonton. He is staying with H. Lane, of 9542 98 st.

Serving with the Grenadier Guards from 1939, Mr. Lineker transferred in 1943 to the Commandoes and was sent to the east to teach guerrilla tactics to the Chinese.

This did not materialize and his company was sent to Burma, where their work was demolition behind enemy lines and hit and run raids. Their only contact with the Allies was by portable wireless.

Three months after they had been behind enemy lines the Japanese increased their vigilance to such an extent that it was impossible to get supplies dropped to them by airplane. By this time they were also unable to get back through enemy lines.

They existed on berries, monkey meat, and whatever else they were able to get from the land.

A chance, unknown entry into

China allowed them to escape to Allied lines. They travelled in a 3,000-mile loop, finally entering Northern Burma and reaching the British at Fort Hurst. Of the 42 who had gone behind the Japanese line only eight arrived at Fort Hurst.

Mr. Lineker stated that he found the farms between Calgary and Edmonton "very interesting."

Frosted Flax and Ergot Poisonous

This article is to point out that definite dangers from poisoning are associated with the feeding of frosted flax plants and ergot-infested grains or roughages to livestock.

Frosted Flax. Chemical analyses on frosted flax, recently carried out at the Dominion Experimental Station, Swift Current, indicate that death may result from the consumption by farm animals of even fairly small quantities of frosted flax plants.

The best precaution farmers can take is not to turn livestock into fields of immature, unharvested frozen flax. For protection against livestock poisoning, and also to prevent the over-wintering of certain destructive flax crop diseases, such as rust and pasmo, unharvested flax should be completely plowed under, or otherwise destroyed, this fall. Farmers who have harvested frosted flax for feed this year would be well advised to send a sample, consisting of about one pound of material, to the Dominion Experimental Station, Swift Current, for analyses. This is indeed a valuable service to the flax growers of Western Canada.

Ergot. The ergot disease of grain crops, particularly of rye, barley and wheat, is well-known to most farmers. It is caused by a fungus (mold). The large, purplish to black, horn-like bodies (ergots), which develop in the heads of diseased plants and are quite conspicuous in the threshed grain, are poisonous to man and livestock. Every care should be taken, therefore, to remove the ergotized kernels from grain that is to be used for human or livestock consumption. Any grain feed which contains 0.1% or more of ergot is considered a source of danger to livestock. Moreover, as a very small concentration of ergot in feed may cause abortion, ergotized material should be excluded completely from the rations of mares, cows, sows and ewes. Don't take a chance! Recognize the dangers that are associated with the feeding of ergot and frosted flax plants to livestock.

Morrin Trade Board Plans To Hold Social Evening

MORRIN—At the regular meeting of the Board of Trade, held in the Legion Hall on Monday evening, Nov. 13, it was decided to sponsor a social evening in the Community Hall in honor of the members, families, and officers of the Morrin Junior Calf Club. The committee elected to take care of arrangements consists of: M. Dougherty, (chairman), Archie Dodd and Winston Demille.

Considerable discussion took place when a letter was read from Hon. D. B. MacMillan, Minister of Public Works, in reply to the Board's request for a bridge at the present site of the Morrin Ferry. A motion was passed, instructing the secretary to write all the Boards of Trade from Hanna to Three Hills, soliciting their support in this matter.

President E. O. Parry mentioned that he had received word from the Nelson Curling Club stating that the Nelson Club was putting in matched rocks and had a number of good sets for sale at \$25.00 per set. After some discussion, it was decided that the Board of Trade would purchase one set of these rocks and turn them over to the Curling Club to be raffled, with the provision that the proceeds be put into the building fund.

After other routine business, the meeting was adjourned and sandwiches and coffee served.

Happiness!

To help maintain the health of its people is a government responsibility; to increase personal happiness through good health is the responsibility of the individual.

The Department of Health, through its district nurses, district health units, clinics, and other services, functions solely for the purpose of safeguarding health and improving health standards.

You are asked to familiarize yourself with provincial health services and recommended health rules and practices so that you are capably informed when disease or illness threatens. When in doubt, consult your doctor, or if no medical service is available consult your district nurse.

Your Department of Health offers diagnostic, instructional, clinic or hospitalization service as follows:

ARTHRITIS: Free investigation and diagnosis, and treatment where indicated and ordered by the Director of Arthritis clinics, to all under 21 years of age suffering from rheumatoid arthritis. Clinics at Edmonton and Calgary.

CANCER: Free radium, X-ray, and surgical treatment plus free hospitalization when necessary for diagnosis where ordered by the Cancer Clinic in Calgary or Edmonton.

MATERNITY HOSPITALIZATION: Free public ward hospital care for all maternity cases.

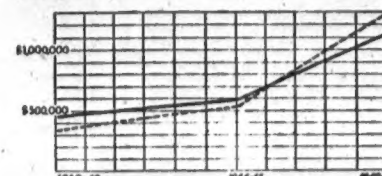

POLIOMYELITIS: Free medical, surgical and hospital treatment for all suffering from paralysis due to poliomyelitis. Special academic instruction for children and vocational training for adults.

TUBERCULOSIS: Free treatment for all cases of tuberculosis and free diagnostic service through clinics and mobile X-ray units. Sanatorium beds maintained at Calgary and Edmonton with 300 additional beds to become available in the new Aberhart Memorial Sanatorium.

MENTAL HYGIENE: Mental patients are benefitting by the advanced methods used in provincial hospitals and training schools. Provincial Guidance clinics are held regularly for cities,

towns, and rural areas giving preventive service to promote good mental health.

NURSING SERVICES: District nurses in remote rural areas provide the following services free:
Pre-natal, natal and post-natal care.
Free immunization services.
Regular baby clinics.
School health inspections and emergency service.

Five Years Friendship**

DEAR LOUISA:—I have been going with a girl about five years but we have never been anything to each other but good friends.

We are neighbors and I never thought of her in any other way but found her to be good company.

A new girl has come to town and I am very much attracted to her but this old friend of mine gets very angry when I talk about having a date with this newcomer. She acts like I belong to her but I have never had any idea of marrying her, as I am not in love with her.

I don't know what to do. I hate to lose my good friend, but I would like to date this other girl.

TWENTY-TWO

Answer:

It seems rather selfish to take five years of a girl's time when you are not in love with her. The girl herself is really at fault

for letting you monopolize her time when you let her know you had no serious intentions.

If you are sure you are not in love with No. 1 you had better break off at once or the next thing you know you will be married to a girl you had no idea of asking to become your wife. Go on and ask the new girl for a date. If No. 1 is wise, she will let you go gracefully. You may find out, when you are allowed to roam, that you really are in love with your first friend.

DISTRICT ANIMALS REPORTED BEST BY U.S. BUYERS

By H. F. IRWIN

This column goes afield this week to quote from the Santa Rosa, California, Press Democrat, which carries in its agricultural section for Nov. 12, high praise for the animals from the herds of district sheepmen, Charlie Borwick and Clarence Stoneman:

SANTA ROSA BREEDER IMPROVES FLOCK WITH 10 SUFFOLKS FROM CALGARY SALE

"I've knocked 'em for a loop in Canada."

That's the way Ben H. Roark, Sr., 1645 Wright Road, enthused over his trip to the famous Calgary livestock classic, the fall sale of the Alberta Cattle, Sheep and Swine Breeders' Association.

He came home from the sale last week, bringing 10 head of "Canada's finest," winners of top honors in the Suffolk show.

Another local breeder, Sam Little, Sebastopol, Future Farmer (Junior Club member) and Suffolk breeder, made the Canadian trip with Mr. Roark. He brought back the 2nd prize winning yearling ewe for his flock. This ewe was raised by C. Stoneman, Morrin.

One of the Roark lambs, the 2nd prize winning ewe lamb, was from the Albert Matejka Ranch at Ponoka, Alberta, while nine of the other sheep were of the famous strain of C. H. Borwick Ranch at Drumheller, Alberta.

Six of the nine were sired by Karton Conqueror, a consistent winner at Canadian shows, and one of the sheep that helped Mr. Borwick win the coveted Alberta Suffolk trophy for the third consecutive time at the recent show. A perpetual trophy that becomes the permanent property of the breeder who wins it three times, the trophy corresponds to the famous gold sheep bell, won this year in Oregon, by Severa Wilford, Contati, with his pen of Southdowns.

Mr. Borwick won the trophy with pens of five rams from his Suffolk flock.

Larger than most west coast representatives of the breed, the 10 lambs bought by Mr. Roark average 165 pounds apiece.

"Largest I ever saw for January and February lambs," he said. "They made some of my own lambs look like midgets."

It is his second importation of Canadian Suffolks.

Last week he bought nine ewe lambs and a young buck in Calgary as foundation stock for a flock of 45 that included many of the consistent winners of the North California show circuit this year.

A breeder of milking Short-horns for several years, Mr. Roark tuned to Suffolks last year, after selling the show string of dual purpose dairy animals that he and his American Farmer FAA (Future Farmer of America) son, Ben, Jr., had built up from foundation stock bought in Wisconsin.

The son, too, is a sheep enthusiast, and he is manager of Dr. R. L. Bullman's Bennett Valley Ranch.

Congratulations to Charlie Borwick and Clarence Stoneman.

And since their achievements, Ricky Sharpe has won highest honors with wheat at the Royal, bringing further honor to this community. To him, as well, congratulations.

Canadians own more than two million motor vehicles of all kinds, according to this year's vehicle registrations.

necessity particularly so that entertainment could be provided at home for our young people. He asked that as many as possible support the shows and other activities sponsored by the hall board so that funds might be forthcoming to make much needed improvements to the hall.

Mr. N. F. Bell, District Agriculturist, spoke for a few minutes regarding plans for organizing a Junior Wheat Club in the Morrin district.

Community Dance Is Well Attended

MORRIN—The Free Show and Dance, sponsored by the Morrin Community Association on Friday evening, Nov. 17, was very well attended despite the cold weather. A capacity audience saw the show "Little Women" and a good crowd stayed for the dance. Music for the dance was supplied by recordings.

Mr. A. C. B. Grenville, senior member of the hall committee, spoke after the show. He pointed out that a community center such as the Morrin Hall, was a vital

Announcement

A Social Evening, sponsored by the Morrin Board of Trade, will be held in the Community Hall, Morrin, on Monday evening, Dec. 4, at 8:00 p.m.

This evening is to honor the members, families and officers of the Morrin Junior Calf Club.

The program will consist of a short film, community singing or quiz program, to be followed by presentation of awards to Junior Club members by Mr. N. F. Bell, District Agriculturist.

Everyone is invited to attend and as many as possible are asked to please bring lunch. C-N-24-D-1

ALTA. OLD TIMER PASSES AWAY

A highly respected old time resident of Alberta, Mrs. H. G. Dunfield, passed away in a Calgary nursing home Nov. 2, at the age of 80 years.

Elizabeth Keyes Dunfield was born at Admaston, Ontario, May 19, 1870. She married Hugh George Dunfield, Oct. 18, 1893, and came west with her husband to Okotoks in 1905. Then after three years sojourn at Dewinton, they moved to the Delia district in 1909, where they resided until 1936. Since then they have made their home in Edmonton, and with their son at Gibbons.

Mrs. Dunfield was a member

of the Presbyterian church since childhood and a charter member of the first missionary society formed in Delia. She has always been deeply interested in all church and community affairs.

She leaves to mourn her loss, her husband, Hugh George Dunfield and two sons, Leslie of Delia and Erwin of Gibbons; three grandchildren, Mrs. L. Hage of Hanna, Earle of Calgary, Mrs. J. Shearer of Lethbridge and one great grandson, Ronny Shearer of Lethbridge; also a sister, Mrs. Wm. Hodgins of Renfrew, Ont.

Funeral services were conducted by Rev. deLeeuw from the Delia United Church at 2:00 p.m. Nov. 4.

The choir was in attendance and the hymns sung were "The Sands of Time Are Sinking," and "Safe in the Arms of Jesus."

Mrs. Whitman and Mrs. Eberley rendered a special duet.

Pallbearers were: John Carter, Wm. Sinclair, Hawk Eilertson, Charles Greer, D. H. Campbell, A. C. McCully.

Interment took place in the family plot in the Delia Cemetery.

BEISEKER NEWS BRIEFS

Messrs. Leo Schmaltz and Felix Hagel attended a farm implement dealers' convention in Calgary on the 16th and 17th of last week, whilst Mr. J. H. Schmaltz attended a UFA convention, also in Calgary, and with Mr. Schmaltz attending a municipal convention this week the farmers should be well-informed of any changes in machinery, grain, roads, etc.

We are sorry to hear that our jolly dray-man, Mr. Steve Silber-nagel, is confined to his home with sciatic or something just as painful. We hope that he soon finds some relief, and will be up and going in the near future. He has been replaced by Tony Hagel, Jr.

Mr. Carl L. Schmaltz is taking a four weeks' course at Tech., beginning Monday, Nov. 20. He is continuing his electrical course.

Mrs. Darce Olsen entertained the bridge club last week.

We hope Miss Pauline Schmaltz, who underwent an operation the first of the week is doing well, and will be home shortly.

Mrs. Harvey Gibson spent a night last week at the home of Mr. and Mrs. Lount, while she was attending lodge at Acme.

Mrs. J. Carroll (Clara Schleppe) and her two children from Portage La Prairie, Manitoba, are visiting at the home of her mother, Mrs. Kay Schleppe. She expects to be here until after Christmas.

We hear that skating was one of the subjects discussed at the last council meeting. It is ex-

pected that the early preparation of the rink will commence shortly.

Mr. Ken Wright gladdened the hearts of some youngsters Sunday by taking them out to the country for some skating.

Barbara and Stan reached Beis-

eker Saturday, sporting a new Dodge, and report having had a splendid trip.

We hear that Frank Schmaltz is on his way east for a new car, too, and are pleased to say that Frank is feeling very well again after his long siege of illness.

Anniversary Is Marked Recently By Rockyford Church

ROCKYFORD.— An anniversary service was held in the Rockyford United church Sunday, November 12, to commemorate the 28 years that the United church has been functioning in Rockyford. In connection with this, the Remembrance Day Service was also held.

On Wednesday, November 15, the United church ladies held their annual bazaar and chicken supper in the Rockyford Hall. Following this a show was held with a large crowd in attendance.

Mr. and Mrs. Emil Cammaert have returned from their trip to Europe. For the week-end, Johnny and Margaret were home.

We are glad to hear that two honours for the best wheat at the Royal Winter Fair went to members of the Rockyford Wheat Club. Howard Ronpel placed second, while Allan Dunsmore placed seventh.

Many new cars have been purchased recently in the Rockyford district. Mr. Herman Koester is now driving a 1950 Chevrolet. Mr. B. Dyer is seen sporting a new Chrysler. Mr. B. Benstead a new DeSoto, and Mr. Joe Hendricks with a newer model Chevrolet.

Mr. and Mrs. A. E. Velker, Mr. and Mrs. H. Katterhagen, and Mr. and Mrs. E. J. Feser spent last week-end in Medicine Hat where the men attended a K of C initiation.

The ice in the curling and in the skating rinks is near completion and a greenhorn bonspiel is scheduled for next week-end.

A shower was held on Monday, November 13, in the community hall for Mr. and Mrs. J. Macbeth, Jr.
